DUKE ADMITS WEAKNESS FOR ONLY THE BEST

Ever since I was a kid, I've been accused of wanting only the finest. It drove people crazy. But now my weakness is your strength. You can trust Duke's Chowder House to bring you the best every day. No other restaurant in Puget Sound will go this far. No one cares about what you care about like we do.

100% All natural Clam Chowder. The only one in the world. Not one chemical or preservative. No flavor enhancers. No color enhancers. None of our competitors can make that claim. Not one. Do the research, you'll find it's true. And no one else can beat our Clam Chowder for flavor. It's all in the taste.

Natural. Wild. Sustainable. Wild Alaska Seafood. All of our Salmon, Halibut, Ling Cod and even the Cod for our Fish & Chips are from the pollution free, pristine waters of Alaska.

No farmed or "Atlantic" salmon. Don't get me started.

All natural chicken. No hormones. Just chickens allowed to be chickens.

All natural steaks and burgers.

We cook using oil with zero trans fat. Guaranteed.

Wild Gulf Prawns from the Gulf of Mexico. Plump, juicy and wild...

Wild Dungeness Crab. Dungeness is simply the best tasting crab on the planet. Don't settle for anything less.

All of our dressings and sauces are homemade. Bleu cheese dressing, tartar sauce, tarragon vinaigrette, rosemary mayo, tarragon mayo, cioppino base, hazelnut beurre blanc, award winning BBQ sauce and many more.

Tillamook extra sharp cheddar cheese. You may think it's a small distinction between sharp and extra sharp but I assure you that a cheeseburger just isn't a cheeseburger without extra sharp cheddar. And Tillamook has the best.

Our menus are printed on FSC certified 100% post-consumer recycled paper.

I could go on and on but I think you get my point. I've always joked that "the best of everything suits me just fine." But at Duke's, it's no joke. No one else will go this far to bring you the best and I intend to keep bringing it your way.

One last thing. Duke's is a casual, comfortable place to eat and that will never change. But don't be deceived that we are casual about what we serve you. Some people talk about quality, we live it... every day. It costs us a little more and we charge a little more. Sure, you can go to our competitors and find something less expensive but I guarantee it's not the same. You see, no one does what we do for you. We bring you the best value. I guarantee it.

— Duke
